

Florida**Prepares**

2006

We Have A Plan

- Since 1998
- Regionalized since 9/11/01
- We think globally, but act locally

We Practice Our Plan

- Everyday Contagious Disease Control
- Recent Governor's Tabletop Exercise
- Stockpile Distribution Exercises
- Hurricane Emergency Management

Current Public Health Efforts

- Early Detection
- Response and Containment
- Healthcare System Support and Communication

Early Detection

- Public Health Laboratories
- Monitoring Systems
 - Sentinel Physician Network
 - Laboratory Testing Information
 - National Retail Monitoring System
- Agency Partners Monitor & Test
 - Poultry
 - Domestic & Wild Animals

Response & Containment

- All 67 counties have capacity to respond
- Systems in place to help limit spread of disease
- Laboratory testing daily
- Partnerships with veterinarians

Healthcare System Support

- Planning Partners
 - Local healthcare providers
 - Florida Hospital Association
 - Emergency Medical Services
- Communication network
- Appropriate supply reserves

Your Role

- **Get Informed**
- **Get Involved**
- **Practice Prevention**
